

Ortho-Tuff Skin®

World's Most Versatile Floormat

Ortho-Tuff Skin® has all the properties of Ortho-Mat 1® plus these 3 advantages:

- Ultra durable top coat is one of the most durable coatings in existence.
- Seamless design can be fabricated to fit any flooring shape or size to eliminate mat separation and tripping.
- Surface does not shed, making it perfect for clean room usage.

Ortho-Mats are designed to reduce the risk of slips and falls while increasing safety and comfort in the workplace. North American Safety Products accepts no responsibility for damages involving the use of our products. No product can guarantee that accidents will not happen. Suitability to task and operations in all aspects must be determined by the user of the mat.

WARRANTY

Ortho-Mats® are guaranteed against defects in materials and workmanship for 2 years including premature wear. Warranty on material may be pro rated based on conditions of use. Life expectancy is 3 to 8 years. We will proudly supply samples for you to test.

Ortho - Mat 1®

World's Leading Antimicrobial Anti-Fatigue Matting

Ortho-Mat 1® is the **ULTIMATE** anti-fatigue mat for all industries. Ergonomically designed to reduce strains, spinal compression and fatigue to back, legs, feet and ankles. As a result, your workers feel more comfortable, and are more productive.

Ortho-Mat 1® is Virtually Indestructible

- Made from 3/4" thick superior virgin nitrile rubber
- Closed cell design is impervious to all chemicals, petroleum products, and vegetable fats
- Highly resistant to burning, cold, heat, vibration extremes
- Antimicrobial compound property prevents mold, mildew, and bacteria growth
- Non-allergenic, latex and silicone free
- **Ideal for food and health care related industries**

Black, Terra Cotta, Gray colors

Various patterns, colors & sizes to choose from

Outstanding Safety Properties

- National Floor Safety Institute Approved. Tested 40% higher than competitive mats for non-slip qualities
- Excellent for wet, oily and slippery surfaces
- Safety bevel edge on all sides for easy cart roll, avoid tripping
